Account Manager II

Description

HERE'S THE DEAL

We are a full-service esports company that creates, manages and monetizes competitive video game leagues. We build a title's competitive community from the ground up, growing it into a unique, professional and world-class esports operation. We manage all league operations and produce expert live entertainment in-studio or at stadium-sized venues. We deliver monetary results by authentically translating our publishers' and brand sponsors' business outcomes to this massively diverse community.

We seek out ambitious partners and are the leading esports company for new gaming titles.

We are experiencing breakneck growth and are looking for an individual that loves to make connections and steward lasting business partnerships; for someone who gets fired-up thinking about executing on ambitious esports products alongside the next generation of esports developers and publishers and our expanding, high-energy team. We want someone who pushes back on the status quo and does things faster and better – because that's what gets them out of bed in the morning.

As a wise old man once said, "It's dangerous to go alone, take this!"

Responsibilities

WE NEED YOU TO

- Work with a world-class team to help shape the future of online esports entertainment
- Interface directly with clients to develop NGE business interests, establish client goals, define project scopes, and close deals
- Develop and present proposals to existing partners, solicit client feedback, and increase value of managed accounts
- Work with internal product teams to understand, improve, and iterate on client presentations
- Act as the primary point of client escalation for assigned account's complete production, marketing, creative, data and other project-related needs
- Collaboratively work to align internal NGE stakeholders, creatives, production specialist, and subject matter experts to increase client satisfaction on assigned projects
- Conduct client, industry, market and consumer research and intelligence
- Demonstrate a deep and expressive passion for esports and competitive video gaming
- Possess significant background and work experience in esports,
