

CREATIVE PRODUCER / DIRECTOR

Job Status: Full-Time Employee

Location: Burbank, CA

Reports To: Director of Production

HERE'S THE DEAL

We are a full-service eSports platform that creates, manages and monetizes white label competitive video game leagues. We build a title's competitive community from the ground up, growing it into a unique, professional and world-class eSports operation. We manage all league operations and produce s-rank live entertainment in-studio or at stadium-sized venues. We deliver monetary results by authentically translating our publishers' and brand sponsors' business outcomes to this massively diverse community.

We are uniquely positioned as one of the very few independent eSports creators in the world.

We are anticipating breakneck growth and are looking for an individual that loves to produce industry defining content; someone who gets fired-up thinking about building something great alongside a small, high-energy team. We want someone who despises the status quo and pushes to do things faster and better because they find that sort of thing fun.

As a wise old man once said, "It's dangerous to go alone, take this!"

WE NEED YOU TO

- Work alongside company founders to help shape the future of online eSports entertainment
- Innovate and implement always evolving eSports shows
- Lead and direct a high energy production
- Communicate with talent and production staff to deliver an amazing show
- Continually find ways to increase a shows production value
- Ensure that a production meets our (and our client's) high standards
- Work with the Production Manager to schedule the staff for a show
- Conceptualize and create a show from scratch
- Thrive in a high pressure environment
- Fanatically deliver the best fan experiences possible

YOU MUST HAVE

- Passion for videogames, interactive media, and technology
- A track record of excelling with little supervision
- Experience leading a team
- Excellent communication skills
- A creatively driven mind

- The desire for a fast paced, entrepreneurial environment
