

TECHNICAL DIRECTOR

Job Status: Full-Time

Employee Location: Burbank, CA

Reports To: Director of Production

HERE'S THE DEAL

We are a full-service esports company that creates, manages and monetizes competitive video game leagues. We build a title's competitive community from the ground up, growing it into a unique, professional and world-class esports operation. We manage all league operations and produce expert live entertainment in-studio or at stadium-sized venues. We deliver monetary results by authentically translating our publishers' and brand sponsors' business outcomes to this massively diverse community.

We seek out ambitious partners and are the leading esports company for new gaming titles.

We are anticipating breakneck growth and are looking for an individual that loves to direct cameras, engineer a show's vision, direct the production line, and translate our production vision to diverse show formats; for someone who gets fired-up thinking about crafting the best damn broadcasts for the next generation of esports titles alongside a small, high-energy team. We want someone who pushes back on the status quo and does things faster and better - because that's what gets them out of bed in the morning.

As a wise old man once said, "It's dangerous to go alone, take this!"

WE NEED YOU TO

- Work alongside company founders to help shape the future of online esports entertainment
- Work as a Technical Director as needed per the broadcast schedule
- Partner with various departments to lead control room projects in multiple sound stages
- Direct pre-recorded and live segments as needed
- Write, review, and update the Run of Show (Rundown)
- Evaluate staff in all aspects of their job and provide input to the Production Manager for performance review
- Work all shifts, including early mornings, evenings, holidays, weekends
- Travel (Including internationally) as needed, sometimes on short notice
- Facilitate personnel requirements including late and/or last minute scheduling changes in a 24/7 production work environment.
- Fanatically deliver the best fan experiences possible
- Other tasks as assigned

YOU MUST HAVE

- Passion for video games and interactive media
- Ability to switch fast paced live and live-to-tape Entertainment
- Experience with various production switchers i.e. Ross Video and Sony
- A track record of excelling with little supervision
- Experience managing multiple priorities in high-stress, time sensitive environments
- The desire for a fast paced, entrepreneurial environment
- Bonus: Remote truck production experience
- Bonus: Prior esports production experience

Reasonable Accommodations Statement: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable Accommodations may be made to enable qualified individuals with disabilities to perform the essential functions.

YOUR BONA FIDES

- **Education:** Bachelor's degree from an accredited institution or equivalent work experience
- **Experience:** 3 or more years as a Technical Director in a live production environment

OTHER

- **Work Schedule:** Be prepared to help build something great and work long hours, including occasional evenings and weekends
- **Amount of Travel Required:** Frequent travel for live event production
- **Work Environment:** Typical office, travel (trains, planes and autos), studios and on-location environments

The Company has reviewed this job description to ensure that essential functions and basic duties have been included. It is intended to provide guidelines for job expectations and the employee's ability to perform the position described. It is not intended to be construed as an exhaustive list of all functions, responsibilities, skills and abilities. Additional functions and requirements may be assigned by supervisors as deemed appropriate. This document does not represent a contract of employment, and the Company reserves the right to change this job description and/or assign tasks for the employee to perform, as the Company may deem appropriate.
